ERMA Program 2023

RISK BEYOND 2023

Risk Beyond 2023 is the thirteenth International Conference in Enterprise Risk Management presented by ERMA. It is designed to provide risk management practitioners around the world an extensive insight into various GRC issues that organizations face towards 2023 and beyond. With hundreds of leading risk practitioners and decision-makers from around the world, Risk Beyond 2023 offers its participants a special opportunity to gain valuable insights on the best practices of Governance, Risk Management, and Compliance right from the very source.

7-8 December 2023 (Onsite in Bali, Indonesia)

ASEAN Risk Awards 2023

ASEAN Risk Awards was first held in 2016, the ASEAN Risk Awards is the first annual awards of its kind in Southeast Asia with the sole purpose of empowering the region.

Join ASEAN Risk Awards 2023 to discover how far you have advanced in the industry and how strong you have been to bounce back amid pandemic crisis or any crisis that you would face. You can inspire the whole Southeast Asia through your risk management resilience story.

7 December 2023 (Onsite in Bali, Indonesia)

ISO 31000 ERM Fundamentals – Training and Certification

Managing risks has become a crucial process for every organization. With a company-wide scope, the risk management process serves as a strategic analysis of risk throughout an organization, cutting across business units and departments, and considering end-to-end processes. The ISO 31000 ERM Fundamental is a workshop specifically designed to equip its participants with essential skills and knowledge in Enterprise Risk Management.

Participants will get the opportunity to obtain a professional risk management certification from Enterprise Risk Management Academy (ERMA).

6-9 March 2023 (Hybrid in Kuala Lumpur, Malaysia)

Risk Governance Master Class – Training and Certification

The dynamic future of the global convergence is expected to bring opportunities for global corporations but can create massive threats for corporations who are not well prepared. One of the mandatory tickets to facing globalization, is an effective Good Corporate Governance and Enterprise Risk Management practices at the board level, known as Risk Governance.

To achieve effective risk governance, companies must identify the present and future risks that might arise, determining the right measures to mitigate these risks. Therefore, this Risk Governance Master Class is designed specifically for senior managers and board members who oversee the implementation of effective Control Environment and Risk Oversight.
